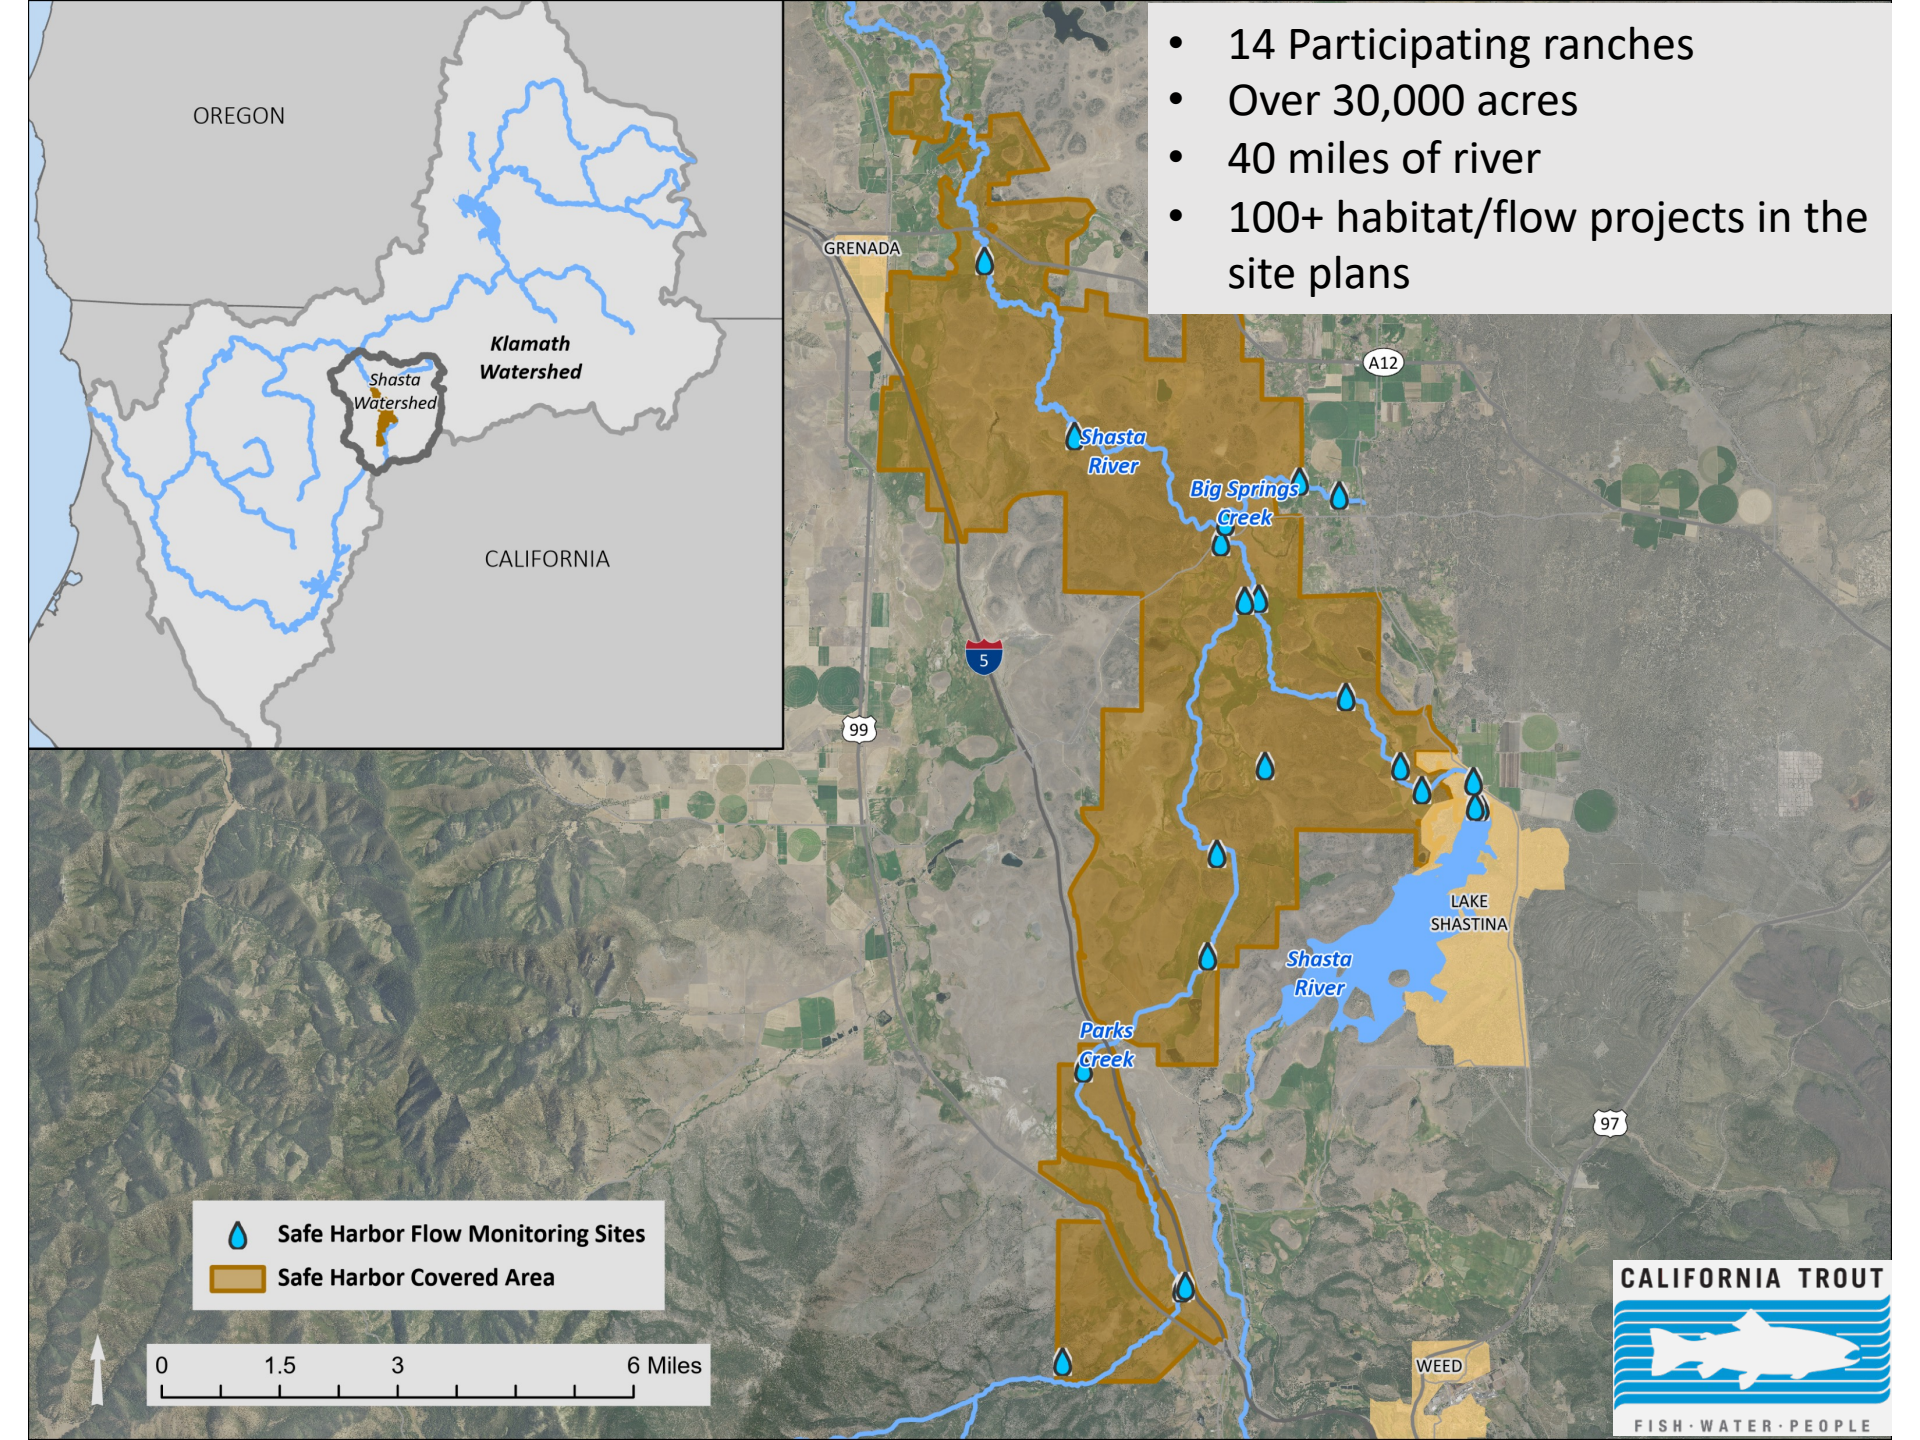
ADA FOWLER, Ph.D.
SENIOR PROJECT MANAGER
CALIFORNIA TROUT
afowler@caltrout.org

Voluntary Agreements - Shasta Safe Harbor Incidental Take Agreement



- 14 Participating ranches
- Over 30,000 acres
- 40 miles of river
- 100+ habitat/flow projects in the site plans

Challenges & Lessons Learned:

- Trying to satisfy a diversity of individual ranching interests
- More inclusion of all parties from the start
- Balancing negotiations for benefits to salmon with needs of agriculture
